

The Good Doctor

*Dr. Bonnie
Henry*

strengths

Dr. Henry Bonnie has made a lot of sacrifices, has stepped up, did everything in her power and resolve to track down and break Covid-19 without any doubt.

challenges

Dr. Bonnie Henry has faced an obstacle. She recalls not sleeping and the fear of making a mistake. Despite all the pressure and fear, she managed to flatten out the curve.

effectiveness

I'd say her leadership is very effective knowing she managed to flatten the curve of Covid-19. She handled everything so well. Giving people information.
